In consideration of being permitted to participate in any way in the Rutgers Football Camp the parent(s) and/or legal guardian(s) of the minor participant named below agree:

I am fully aware and thoroughly informed of the hazards of participating in a football camp; further, I have read and fully understand the following:

- That participation is voluntary and at my/minor's own risk;
 - That a Football Camp is a physical activity involving heavy exertion. A camp participant must be in good general health, free from cardiovascular and respiratory disease, or other diseases or ailments and have good exercise tolerance;
 - That while participating in a Football Camp the human body is subject to a variety of influences that may become potentially hazardous. Some of these hazards include, but are not limited to, severe head injury and a variety of other bodily injuries such as broken bones, including the potential for permanent disability and/or death;
- Notwithstanding these risks, for and in consideration of the minor's participation, I, for myself, the minor and the minor's assigns and heirs do waive, release and discharge Rutgers Football Camp, Rutgers, The State University of New Jersey, and their governors, trustees, officers, employees and agents from any and all claims, demands, actions, causes of actions, costs, and expenses for and by reason of any personal injury, property damage, loss and expense, which heretofore have been or hereafter may be sustained or suffered by the minor in consequence of and as a result of a certain accident, casualty or event or the minor's presence or activities in connection with this football camp. I also agree to indemnify and hold harmless Rutgers Football Camp and Rutgers University for injuries sustained either by the minor and/or caused by the minor to others during the football camp. Furthermore, I acknowledge that the risks outlined above are not intended to be all-inclusive and voluntarily accepts all risks known or unknown.

Medical Release:

I hereby authorize the clinical staff of University Health Services, Rutgers Sports Medicine, and UMDNJ/Robert Wood Johnson University Hospital to provide medical care that includes routine diagnostic procedures (i.e. x-rays, blood and urine tests) and medical treatment as necessary to my minor son/daughter. I understand that the consent and authorization herein granted do not include major surgical procedures and are valid only during camp.

Rutgers, The State University of New Jersey, is not responsible or liable for any of the activities in respect to the camp; the Camp Director is an independent contractor. The camp director reserves the right to cancel or postpone any activity due to insufficient enrollment or other unforeseen circumstances.
